2025–2026 SCOPE & SEQUENCE

BIBLICAL TEACHING FOR A YEAR

The **Deep Discipleship Students** yearly subscription comes with a year's worth of biblical teaching. Here's a preview of the series and lessons that you receive when you sign up for a Deep Discipleship subscription.

OUR SUGGESTED SEQUENCE

We have provided the entire scope of the teaching series and sequenced them in the order we think naturally flows well with the rhythm of the school year. But that doesn't mean it necessarily fits your ministry calendar or desired direction. Our list is a *suggestion*. You rearrange and teach these series in the way you feel best meets the needs of your students.

The **DETAILED VERSION** gives you an overview of each series, plus the takeaway and main passage from each individual lesson. This will give you a good idea of each series and lesson and help you decide when you will teach it in your calendar year. The **SHORT VERSION** gives you a quick peek into each series for a point of reference.

When we read through the Gospels, we see that prostitutes, tax collectors, and the other "sinners" of the day flocked towards and wanted to be with Jesus. Can the same be said for the church today? We must strive to love and treat people, all people, the same as Jesus did.
